Direction for September: Scouting in COVID-19

September 2020: Resume in-person activities
– outdoor or virtual only

Consultation regarding the procedure and standard is currently open and all Scouters and parents received notification on Thursday June 11th to offer feedback and thoughts on the proposed plan to return to an in-person, outdoor program

Direction for September: Scouting in COVID-19

But what
about....?

Direction for September: Scouting in COVID-19

More information and direction to come regarding:

- Registration dates for both intake periods (incl. free fall session for new youth)
- National fundraisers
- What the new Scouting year start-end means and what that means relative to advancement (this is a big one, guys!)

Direction for September: Scouting in COVID-19

An additional FAQ is expected to be released week ending June 19th

Many of the questions that have been coming to us so far will be addressed, but we may not have clear and solid direction for all inquiries just yet.

We will continue to work on communicating answers to all inquiries as they are communicated to us.

Direction for September: Scouting in COVID-19

Next steps:

Week of June 15: all GCs will receive the expanded FAQ along with a newsletter from their RM/GSS.

When the consultation period ends and the new standards and procedure are ready, RMs and GSSs will begin work with GCs to prepare for September
