# Current State – October 2020

## Some Quick Q&A

- Why SWC not moving to Virtual Scouting only, like other Councils with "hotspots"
- Suggestions in deciding In-person activities, amid the "COVID information iceberg"

## Pandemic Standard: Reminder About Incident Reporting Procedure

- Should a member test positive for COVID-19 following a Scouting activity, the parent/guardian/Scouter should inform the Scouter-in-Charge.
- Scouters should provide contact tracing details if requested by the public health unit—recorded on the attendance sheet.
- **Scouters should not further inform parents/guardians, youth or Scouters unless instructed to do so by the public health unit**

# Break Outs

## Discussion Topics:

- **Morale & Engagement:** What are some strategies for engaging Scouters right now, especially those who are not planning to return until January?
- **Outdoor program:** What has been working, what hasn't. Sharing and discussion.
- **Virtual meetings:** best practices, where to find resources.
- **How can we be more inclusive?**
