Meeting Etiquettes

Before Meeting
- Please pre-register for the meeting in advance using the designated link. After registering, you will receive a confirmation email containing your personalized link. Please do not share/forward the confirmation email with anyone else. Each personalized link will only enable one named participant to join the meeting.
- If the GC cannot participate, GC must delegate someone from his/her Group to attend on their behalf (and that Scouter will need to pre-register using the designated link)
- Please read all the Pre-Reading Materials in advance of the meeting.
- If you would like to discuss specific topics during the meeting, please reach out to your Relationship Manager (GSS/SRM)

During meeting
- Council will provide insights & rationale, rather than repeating what is already written in the Pre-Reading material.
- You can post questions before or during the meeting using Slido (https://www.sli.do/). If someone else's posted question resonates with you or your Group, you can click on the thumbs up button beside that question. We will prioritize questions with the most thumbs up during the meeting. Please refer to our Council Secretary's email for the code.
- We welcome both positive and negative feedback. As the GC, your role is to represent your Group. Be hard on the process but be nice to people. Shining Waters Council is committed to working with all Groups to serve our members.
- We'll respect everyone's time by starting and ending the meeting on time.
